ENVIRONMENT ASSEMBLY 2021**

*(Online)*

on

**“COVID-19 and its Impact  
on SDGs’ Targets”**

**OCTOBER 25-27, 2021**

## ABOUT THE CONFERENCE

**DUSF'20 x HMUNEA'21** is a three-day youth conference and the fusion of Harithkram's two flagship events — **Delhi University Sustainability Forum** and **Harithkram Model United Nations Environment Assembly**. This fusion will mark the **Fourth Edition** of the Delhi University Sustainability Forum and the **Fifth Edition** of Harithkram Model United Nations Environment Assembly.

This year, DUSF under its **School Outreach Programme** aims to channelise the potential of young school children towards a greener world through the medium of **School Students' Conference (SSC)**. The participants from the selected schools will get an opportunity to witness the proceedings of a University level Conference and interact with learned experts, which will equip them better for higher education and their role in the society.

The **Fifth Edition** of **HMUNEA** will offer young scholars from diverse backgrounds to brainstorm, debate and discuss the onslaught of COVID-19 on SDGs' targets and make the discourse on the environment richer. It is a splendid opportunity for young voices to ensure a clean, green and fresh environment. In its own modest way, **HMUNEA** will fulfil the aims and goals set out by the founders of the United Nations in the Preamble of the Charter: **“to produce tolerance and live together in peace as good neighbours.”**

## ABOUT THE COLLEGE

**Shaheed Bhagat Singh College**, named after the great revolutionary of India, Shaheed-e-Azam, Sardar Bhagat Singh, was established as a co-educational college in 1967 as a constituent college of University of Delhi. It is one of the leading colleges of University of Delhi imparting higher education in commerce, humanities and social sciences for over five decades.

Over a period of **54 years**, the College has acquired a distinguished position in diverse academic and professional fields by providing a vibrant and intellectually stimulating academic culture to promote the independence of thought and grandeur of vision among the students.

## HARITHKRAM - THE ENVIRONMENT SOCIETY

**Harithkram** was inaugurated by the eminent Environmentalist and Writer **Padmashri Sunita Narain** on **September 7, 2012**. Its mission is to create environmental awareness and promote green and sustainable activities **“Beyond the Boundaries.”** It develops young and budding environmentalists through their creative ideas and channelises their energies towards a greener world through team efforts. It focuses primarily on increasing sensitivity amongst students towards their environment and surroundings. The students work constructively towards environmental causes and their activities ensure that Harithkram remains distinctive from other societies and it works as a forum for positive discussions, debates and changes towards a green and sustainable environment.
